ACT IT OUT- BODY LANGUAGE

DISCUSSION QUESTIONS

1. How would someone feel if they needed to talk about a problem but the person they were talking to didn't show them they cared? Would they want to talk to them if they ever had a problem again?
2. How do you think the person speaking felt when the other started texting? What should you do if you're talking to someone and your phone is going off?
3. What do you look at when reading someone's body language? Which parts of the body can tell you how someone is feeling?
4. How can you tell when someone does not want to discuss something. What should you do in this situation?

SUGGESTED USE

First, watch each scene to model the behaviors and actions that will be role played. Then, select two people to role play and assign them to Person A and Person B. Read each scenario on screen to act out. Pause when you see the Act it Out logo on screen and get ready to role play!

The rest of the group will rate the actors based on their performance. Did they portray the emotions given? After the role play is finished there will be a discussion. Use the questions above to guide the discussion.

When discussion logo is shown  , we suggest pausing to discuss facial expressions, tone of voice, and positions of bodies & eye contact. Don't hesitate to rewind the video and watch multiple times.
